

**Washtenaw Community College Foundation
APPLICATION FOR H. RICHARD CRANE SCIENCE GRANT**

The H. Richard Crane Science Lab endowment was established to build the capacity of science education within the disciplines of biology, physics, chemistry, geology and general science at Washtenaw Community College. Grants will be given for innovation for instruction, specifically lab instruction including hands-on resources, in-class and supplementary access to resources.

Application deadlines: July 1 for Fall term OR November 15 for Winter term
Application should be submitted to: Washtenaw Community College Foundation Office – SC 306

GRANT PROPOSAL
(Please type or clearly print the requested information)

Name or Project Supervisor _____ Date _____

Department _____ Phone _____

Title of Project: _____

Amount of Funding Requested \$ _____

1. What is the goal of your project and how will you measure its success?

2. Describe the proposed project: (you may attach an additional page if needed)

3. How is the project innovative with respect to lab instruction?

4. What is the value of this project to the students and how many of them will be impacted?

5. Please include a detailed account of how the requested funds will be spent.

6. Is the amount requested the full cost of the program? _____ If no, what other sources of funding will complete the cost of the project?

7. State the reason this was not covered under the college budget.

8. Is this a new project? _____ If no, how has it been funded in the past?

9. If this is a long-term project, how will it be funded in the future?
