Transfer Requirements for the Dental Hygiene Program School of Dentistry University of Michigan

If you intend to transfer from Washtenaw Community College to the Dental Hygiene Program in the School of Dentistry at the University of Michigan, you will be expected to fulfill the following requirements:

1. Required Coursework (30 credit hours)
   - ENG 111 (Composition I) 4 credit hours
   - COM 101 (Fundamentals of Speaking) 3 credit hours
   - SOC 100 (Principals of Sociology) 3 credit hours
   - PSY 100 (Introductory Psychology) 3 credit hours
   - CEM 111 (General Chemistry I) 4 credit hours

2. Recommended Coursework
   - BIO 101 (Concepts of Biology) 4 credit hours
   - BIO 102 (Human Biology) 4 credit hours
   - ENG 122 (Composition II) 3 credit hours
   - BIO 111 (Anatomy & Physiology) 4 credit hours
   - BIO 237 (Microbiology) 4 credit hours
   - CEM 140 (Organic Biochemistry) 4 credit hours

3. A maximum of 36 credit hours may be transferred in. To assure that the course(s) you select are transferable, please consult the following website: https://www.ugadmiss.umich.edu/TCE/Public/CT_TCESearch.aspx and click on "Washtenaw Community College".

4. Maintain an overall grade point average (GPA) of 2.5 to be considered. The average GPA of incoming students is 3.4.

Students that have the required 30 credit hours of prerequisites may consider taking Basic Statistics (MTH 160) 4 credits hours. Statistics is considered a "core" course and all "core" courses must be taken at the University of Michigan, Ann Arbor campus. Basic Statistics is the only exception to this rule. The University of Michigan will transfer the Statistics course and credits from Washtenaw Community College to satisfy this requirement. The credit hours earned from Statistics cannot be used to satisfy the 30 credit hours of prerequisites.
