

Bachelor of Science in Business Administration Articulation Agreement

Below are a list of steps to follow when completing this agreement:

Complete degree requirements per WCC’s Associate in Arts Degree (AABATR). For maximum transferability please follow the outline listed below as elective options have been chosen to best suit OU’s program. Courses marked with an * identify OU’s recommended selections. See WCC program for required courses. Recommended courses not completed at WCC must be completed at OU.

1. The semester outline is based on WCC’s AABATR along with suggestions from OU’s SBA academic advisers.

- h. Operations Management (18-19 ch): Six (3000 or 4000 level) elective courses or choose one of three prescribed specializations of six courses

4. ACHIEVE is a career and professional development program designed to help students transition to full-time employment after graduation. Students will complete three zero credit courses at Oakland University.

- Once at Oakland University it is best to meet with an Academic Adviser to develop an individualized plan for completing the bachelor degree.
- Additional credits required for OU degree are 45-54 depending on which major is chosen.
- Previous iterations of the AABATR can be used as well. The recently discontinued Associate of Arts in Business (AABAS) will be recognized as well.
