Program Information Report

School of Criminal Justice and Law Enforcement

These programs help students develop the skills and knowledge necessary for work in law enforcement and criminal justice. Completion of the Police Academy Certificate prepares the student to meet the Michigan Commission on Law Enforcement Standards (MCOLES) necessary for a career as a police officer. Students preparing for employment in occupations that do not require completion of the MCOLES/Police Academy, or that do require a four-year degree (such as most Federal employment) can begin their studies by obtaining a Criminal Justice Associate of Arts degree, which is transferrable to most baccalaureate programs. This degree is described in the Transfer and University Parallel Programs section of the catalog.

Rationale for proposed changes or discontinuation:

ANT 265 provides valuable knowledge for those preparing for a career in Law Enforcement.

Students will take PEA 115 in the first and third semesters. Students have had a difficult time passing MCOLES physical test, and this will give them more time to prepare and support the concept of lifetime fitness.

Program Information Report

School of Criminal Justice and Law Enforcement

These programs help students develop the skills and knowledge necessary for work in law enforcement and criminal justice. Completion of the Police Academy Certificate prepares the student to meet the Michigan Commission on Law Enforcement Standards (MCOLES) necessary for a career as a police officer. Students preparing for employment in occupations that do not require completion of the MCOLES/Police Academy, or that do require a four-year degree (such as most Federal employment) can begin their studies by obtaining a Criminal Justice Associate of Arts degree, which is transferrable to most baccalaureate programs. This degree is described in the Transfer and University Parallel Programs section of the catalog.

Program Information Report

School of Criminal Justice and Law Enforcement

These programs help students develop the skills and knowledge necessary for work in law enforcement and criminal justice. Completion of the Police Academy Certificate prepares the student to meet the Michigan Commission on Law Enforcement Standards (MCOLES) necessary for a career as a police officer. Students preparing for employment in occupations that do not require completion of the MCOLES/Police Academy, or that do require a four-year degree (such as most Federal employment) can begin their studies by obtaining a Criminal Justice Associate of Arts degree, which is transferrable to most baccalaureate programs. This degree is described in the Transfer and University Parallel Programs section of the catalog.

Criminal Justice and Law Enforcement

Considering a career in law enforcement or corrections? These programs prepare you for further study in these specialized fields.

Criminal Justice - Law Enforcement (APCJLE)

Associate in Applied Science Degree

Program Effective Term: Fall 2013

This program prepares students for certification to work in law enforcement jobs in the State of Michigan. Students must complete the academic program prior to entering the Police Academy component of the program.

Continuing Eligibility Requirements:

- Admission to the Police Academy component of this program (CJT 221) is based on passing reading, writing, and physical activity examinations as well as fingerprinting and criminal history checks.
- Students who do not enter the academy may complete the Criminal Justice Associate in Arts Degree instead of the Criminal Justice Law Enforcement Associate in Applied Science Degree, and will not be certified for employment.
- Students admitted to the Police Academy are required to purchase gym clothes, khaki uniforms, textbooks, and other supplies.
- Academy students are required to adhere to additional rules of behavior and discipline beyond the general code of conduct.

**PROGRAM CHANGE FORM**

Program Code: Program Name:

~~APCJLE~~ **Criminal Justice-Law Enforcement**

Effective Term:

Fall 2003

- Directions:** 1.) Attach the current program listing from the WCC catalog and indicate any changes that you would like to make.
- 2.) Draw lines through anything that should be deleted and write in additions. Extensive narrative changes may be included on a separate sheet.
- 3.) Check the boxes below for each type of change being proposed. If you are making changes to courses or proposing new courses as part of this proposal, they must be approved separately using a Course-Syllabus Approval Form (CSAF). Courses that are being discontinued also should be submitted on CSAF forms.

1. Requested Changes:

- ☐ Remove _____ Course(s)
- ☐ Add 1 Course(s)
- ☐ Total Credits: Current Credits 57 After Changes 60
- ☐ Change Course Semester Sequencing
- ☐ Change Title (title was _____)
- ☐ Description
- ☐ Advisors
- ☐ Articulation Information
- ☐ Program Admission Requirements
- ☐ Continuing Eligibility Requirements
- ☐ Footnotes
- ☐ Other _____

Show all changes on the attached program sheet.

2. Rationale for Proposed Changes:

Several CJT courses were dropped from the CJ-LE program several years ago when CJT 221 (A,B,C) was changed from 16 to 30 credit hours. Now that it has been returned to 16 credit hours, it necessitates adding another course to the CJT 221 pre-requisites, in order to bring the total number of credit hours back to 60 to qualify for the AAS degree. Thus, CJT 224 will be returned as a program requirement for the CJ-LE AAS degree.

3. Financial/Staffing/Equipment/Space Implications:

None

4. Has the department consulted with all departments that may be impacted? Yes ☒ No ☐ NA ☐

Comments:

****REMINDER:** Please include the current program sheet with all changes listed.
