Reason for Submission: Three Year Review / Assessment Report

Change Information:

Course description

Objectives/Evaluation

Rationale: Make language in all dental assisting courses consistent and meet accreditation requirements/standards.

Proposed Start Semester: Winter 2023

Course Description: In this course, dental assisting students are provided with clinical application of previous dental assisting knowledge as they gain clinical experience in clinical settings such as the WCC Dental Clinic and other assigned clinical sites. Students assist during basic preventive and operative procedures, monitor vital signs, utilize Occupational Safety and Health Administration (OSHA) regulations and Center for Disease Control (CDC) guidelines, sterilize instruments and manage patient records.

Course Credit Hours

Variable hours: No

Credits: 2

Lecture Hours: Instructor: 0 Student: 0

Lab: Instructor: 0 Student: 0

Clinical: Instructor: 120 Student: 120

Total Contact Hours: Instructor: 120 Student: 120

Repeatable for Credit: NO

Grading Methods: Letter Grades

Audit

Are lectures, labs, or clinicals offered as separate sections?: NO (same sections)
