SECONDARY EDUCATION ARTICULATION AGREEMENT GUIDE
Washtenaw Community College – AA in Secondary Education
Eastern Michigan University – BA or BS in a Secondary Education Major

The State of Michigan Teacher Preparation Standards are changing. Students interested in transferring to EMU for Secondary Education should contact EMU’s College of Education Advising Office to discuss their options: coeadvising@emich.edu or 734.487.1416. A current transfer guide can be found at https://app.emich.edu/transfereq/guides

Michigan Transfer Agreement (MTA) Requirements (30 credits)
Students with the MTA endorsement on their community college transcript have satisfied EMU’s General Education Core Requirements and will be required to complete only the EMU General Education Application Requirements of one Perspectives on a Diverse World course, one Learning beyond the Classroom experience, and one Writing Intensive course in the major. Specific courses listed below for the MTA will satisfy major or minor requirements at WCC and/or EMU. Students who started before Fall 2014 may continue to follow the MACRAO Agreement until the end of summer 2019. Courses approved by WCC to satisfy the MTA can be found on WCC’s website.

**Washtenaw Community College Courses:** Transfers to Eastern Michigan University as:

1. A course in English Composition
   1 ENG 111 Composition I.......................................................... 4
   2 ENG 111 Composition II.......................................................... 4

2. A second course in English Composition or Communication
   Choose one from the approved MTA list................................3
   WRTG 121 Composition II: Researching Public Exp .............. 4
   University Elective................................................................. 3

3. A course in Mathematics
   Choose one from the approved MTA list..............................4
   University Elective................................................................. 4

4. Two courses in Natural Sciences from different disciplines
   (one lab required)
   Choose from approved MTA list........................................... 7-8
   University Electives ............................................................. 7-8

5. Two courses in Humanities and Fine Arts from different disciplines
   Choose one course: ......................................................... 3
   ENG 181 African-American Literature
   ENG 214 Literature of the Non-Western World
   ENG 242 Multicultural Literature for Youth
   WRTG 121 Composition II: Researching Public Exp .............. 4
   University Elective................................................................. 3
   Select one course from the approved MTA list..................... 3
   University Elective................................................................. 3

6. Two courses in Social Sciences from different disciplines
   *PSY 220 Human Development & Learning .......................... 4
   Choose one from the approved MTA list..............................3
   EDPS 322 Human Development and Learning ..................... 4
   University Elective................................................................. 3

If needed, complete additional courses in any of the categories above to satisfy the 30 credit minimum for the MTA.

**WCC Secondary Education Program Requirements (30-35 credits)**

1. COM 101 Fundamentals of Speaking.....................................3
2. PSY 100 Introduction to Psychology .....................................3
3. HST 121, 122, 123, 201, 202
4. Major/Minor Courses........................................................ 18-23

Select from the WCC courses that apply to secondary education majors and minors on pages 2 through 5.

Credits at WCC: ............................................60-65
Credits that transfer to EMU ................... 60-65

* Required for EMU’s Secondary Education program.
1 Admission requirement, with a grade of “C” or higher.
2 Satisfies EMU’s Perspectives on a Diverse World requirement.
3 There may not be enough transferable courses in some majors or minors to complete WCC’s program. Students may take major/minor courses at EMU and transfer them back to WCC in order to complete an Associate degree.

Sign up with us: If you let us know you are using this articulation agreement we can stay in touch with you and provide information and advising to you while you are still at your community college.
Completion of Secondary Education Program at EMU

Admission to Phase 1 of the Initial Teacher Preparation Program

Students with a community college GPA of 3.0 or higher, who have completed at least 56 transferable credits and have a minimum math sub-score of 530 on the SAT (if taken after March 1, 2016) or a minimum of 480 on the evidence-based reading and writing portion of the SAT can apply directly to Phase 1. Students without a 3.0 or higher must complete at least 12 credits at EMU to establish an overall GPA of 2.5 and a GPA of 2.5 in the major. The courses listed below for the major or minor may be used for this purpose.

Remaining Major/minor Requirements (30 - 47 credits)

Students must complete an approved major and (certain teaching majors excepted) minor. Credit hours are approximate and will vary depending on the major and minor chosen at EMU and the number of major and minor courses completed at the community college. Major/minor courses ........................................................................................................ 30-47

For information on approved secondary education majors and minors go to the EMU catalog.

Professional Studies (33 credits)

Phases I Courses (12 credits)

CURR 305 Curriculum & Methods: Secondary .......................................................... 3
EDPS 340 Introduction to Assessment and Evaluation ........................................... 3
PRCT 305L4 Practicum I: Secondary ................................................................. 3
SOFD 328W Schools for a Diverse and Democratic Society ................................. 3

Phase II Courses (12 credits)

LTEC 330 Instructional Applications of Media and Technology ................................ 3
PRCT 311L4 Practicum II: Secondary ................................................................. 3
RDNG 311 Teaching Reading in Secondary School .............................................. 3

Specialized Methods of Teaching course in subject area ........................................ 3

Phase III Capstone Experience (9 credits)

\(^1\)EDUC 492L4 Student Teaching .............................................................................. 9

Credits at EMU: ..................................................................................................... 63-77

NOTE: Credits are approximate. Credits at EMU and total credits will vary depending on major and minor as well as specific courses selected.

Approximate Credits to Graduate: ................................................................. 124-142

\(^1\) Satisfies EMU’s Learning Beyond the Classroom requirement.

WCC Courses That Transfer for Secondary Education Majors and Minors

These courses may be used to satisfy electives in WCC’s Secondary Education program. Although all of the courses listed below will transfer to EMU, students should select carefully so that they will be able to meet the minimum requirements at EMU. A minimum of 60 credits toward the program total must be completed at the four-year college level; and at least 9 hours in a major and 6 hours in a minor, both at the 300/400 level, must be completed at EMU. Majors include a minimum of 30 credits and minors a minimum of 20 credits.

Other Approved Minors for Secondary Teacher Certification
Physical Education, Vocational Technical

* may be completed for minor.
Additional Information:

1. Each institution will determine the satisfaction of their individual program and degree requirements. Both institutions agree to accept transferable courses from each other and from other regionally accredited institutions. WCC courses indicated with an * are required for EMU’s Secondary Education Program. Substitutions for these courses must be approved by the EMU program coordinator.

2. Students with the MTA endorsement have satisfied the General Education Core Requirement and will only be required to complete the General Education Application requirements of one “Perspectives on a Diverse World” course, one “Learning Beyond the Classroom” (LBC) area, and a writing intensive course in the major. The Perspectives on a Diverse World course may be transferred to EMU.

To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript with the “MTA Satisfied” endorsement sent to EMU’s Admissions Office. Students who do not have “MTA Satisfied” on their community college transcript will be required to satisfy EMU’s general education requirements as applied to transfer students. The MTA may be completed after admission to EMU, however, students should inform their advisors or they may be advised to complete additional courses for the general education program. Students who enrolled in college prior to fall semester 2013 will have until the end of summer semester 2019 to complete the MACRAO agreement. If already on the transcript, the MACRAO designation will be accepted at EMU after August 2019.

3. Only courses with a grade of “C” or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.

4. A minimum of 60 semester hours must be completed at the four-year college/university level. At least 9 hours in the major and 6 hours in the minor at the 300-level or above must be completed at EMU. Of the last 30 semester hours prior to graduation, at least 10 hours must be completed in courses offered by EMU. A minimum of 124 credit hours, completed in residence or accepted in transfer, is required for graduation.

5. Criteria for admission to the program:
   - Completion of 56 credits with a cumulative grade point average (GPA) of 3.0 or higher from all previous institutions, or an EMU GPA of 2.5, based on at least 12 EMU credits, and a GPA of 2.5 in the major.
   - A grade of “C” or higher in the following EMU or equivalent courses: WRTG 121, CTAC 124, a QR course, one lab science, and all of the professional education courses. (PSY 101 required for Special Education)
   - Official scores from the general SAT (if taken after March 1, 2016) with either a math minimum sub-score of 530 or Evidenced-Based Reading and Writing minimum sub-score of 480. Scores from the MTTC Basic Skills Test, Professional Readiness Exam, ACT, or Michigan Merit Exam may be used as well.
   - ICHAT criminal background check, and Statement of Civil/Criminal Convictions.
   - Attendance at Group Advising Session required.

6. Students are required to attend an EMU Secondary Education group advising session before completing an application for admission to EMU. To facilitate the evaluation of transcripts, students should include a copy of this articulation guide in their application for admission and bring a copy of the articulation guide to the group advising session and all individual advising sessions at EMU.

This is a renewal of an agreement made in April 2003 and renewed in September of 2007 and 2011. This agreement is consistent with the 2017-2018 catalog. Students have until summer 2025 to graduate from Eastern Michigan University following this agreement. In the event that a student does not complete the program within seven years they may be required to have their credits reevaluated using the requirements of the current articulation guide.
