## [Registered Nursing \(APNURS\)](#)

**WCC is no longer collecting applications to the Registered Nursing program for the Winter 2023 semester. The application for the Fall 2023 semester is expected to become available mid-November 2022 with an anticipated application deadline in mid-January 2023.**

To be eligible to apply for the next admission cycle, all admission requirements must be successfully completed by the application deadline. Please revisit this link/website in November 2022 to download the application packet. Current [admission and program requirements](#) can be found on WCC's website.

We recommend watching the [Mandatory Nursing Information Webinar](#) as your **first step** in the process of applying to our program. This video is available on our website and is **required by all applicants prior to applying to our program**. Important information is discussed regarding WCC's [competitive admission process](#), admission requirements along with other important details about applying to our program.

If you have not yet applied to WCC, please submit an [admission application](#) to the school. It's free! You must be admitted to the school before you will be eligible to apply to our Nursing program.

Program requirements are specific and we recommend meeting with an advisor regularly to help lay out a plan on class selection, timing, and to discuss ways to make your application competitive. To schedule an advising appointment, please contact [Academic Advising](#) at (734) 677-5102 or online if you wish to connect virtually.

Please direct questions about submitting an application to our Health and 2nd Tier Admissions Office at (734) 973-3596, (734) 477-8998 or [healthadmissions@wccnet.edu](mailto:healthadmissions@wccnet.edu).
