Public Health Pathway

Associate in Science, Health Program Preparation (ASHPP)

Washtenaw Community College (WCC) has collaborated with several colleges and universities to provide a transfer pathway from WCC’s Health Program Preparation to a bachelor’s degree in Public Health. The full Public Health Pathway agreement can be found on the Michigan Transfer Network website.

Participating Universities

Andrews University, Central Michigan University, Eastern Michigan University, Ferris State University, Northern Michigan University, University of Michigan-Dearborn, University of Michigan-Flint, Western Michigan University

Earning an Associate Degree

WCC students must complete all of the following course and degree requirements to earn an Associate in Science. Regular meetings with an advisor are strongly recommended to stay on track for graduation. Please contact our advising center at 734-677-5102 if you need assistance or visit: wccnet.edu/advising.

Degree Requirements

To complete the Associate in Science, Health Program Preparation degree and the Michigan Transfer Agreement (MTA) General Education Requirements, these credits should be met according to the following outline:

- **English Composition**: ENG 111: Composition I (4 credits).
- **Second Course in English Composition or One course in Communication**: ENG 226: English Comp. II or any MTA approved Communication (COM) course (3 credits)
- **Mathematics**: One Course from the MTA approved list
- **Natural Sciences**: Two courses, in two different disciplines, from the MTA approved list
- **Social Sciences**: Two courses in two different disciplines, from the MTA approved list; PSY 100 Intro. to Psychology and SOC 100 Principles of Sociology are recommended
- **Humanities and Fine Arts**: Two courses, in two different disciplines, from the MTA approved list

The MTA approved list is located in the WCC Catalog or visit: wccnet.edu/mta.
